

DIVIDE AND CONQUER with Sue Dennis
A design workshop suitable for all skill levels- 1 day

DIVIDE AND CONQUER is a gentle class for those wishing to explore original design work but don't know where to start. With your tutor as guide, you will create one small quilt top in the day using easy design exercises. Tips are given for design, use of colour, perspective & more. Cut & paste with paper will be explored before you cut your fabric & fuse a design in place. Don't stress, we're here to have fun!
